Information and Assistance

Information and Assistance

offers older adults their families and caregivers information regarding community resources and assistance obtaining desired services from the Resource Center and other agencies. Information and assistance is available via telephone consultations, mail, office visits and home visits.

Consultation with Families

helps family members concerned about older relatives identify and address issues and learn about aging resources in the community.

Caregiver Services

include information about respite options, resource library materials, information workshops and support groups.

Personal needs assessment

Conducted by professional staff available assess an older individual's ability to perform daily tasks independently or with assistance, as well as his or her ability to purchase needed services.

Supportive home care

referrals connect older adults needing supervision and/or assistance with personal care (bathing, dressing, eating) with agencies and individuals available to meet those needs.

Housing assistance

helps older adults assess their housing needs and explore a variety of options: public and private housing, adult foster care, community-based residential facilities and nursing homes available to meet their needs.

Support group our agency will provide information on support groups available for older adults and family members, experiencing the challenges of caregiving.

Volunteer peer companions

help individuals with grief, isolation, depression, and other life adjustments situations.

Volunteer friendly visitors

visit homebound or isolated people age 60 and older.

Elder Abuse Referrals made in areas of financial, physical, or emotional abuse or self-neglect.

Meals

Serves hot nutritious group noon meals at the following county locations:

- Sturgeon Bay M-F
- Forestville Tues. & Thurs.
- Baileys Harbor Wed. & Fri.
- Liberty Grove Mon-Wed-Fri.
- Washington Island Mon & Wed.

Delivers noon meals to homebound people age 60 and over, (medical referral necessary).

Benefits Counseling

The Benefit Specialist will help older adults and their families cut the red tape involved with health care and public benefits. The Benefit Specialists can address problems with Medicare, Medicare supplements, Social Security, Supplemental Security Income (SSI), Medical Assistance, veteran's benefits, disability claims and other public benefits
